News from Parliament Hill

EDITORS' NOTE: This is the first in a series of weekly columns on national affairs to be written by Mr. Mott at the invitation of the Sunahmo Sun. We hope our readers will find them as informative and interesting as we think they will be.

By W. M. "BILL" MOTT, M.P.

OTTAWA, February 6 (By Airmail)—Owing to the opening of your new building situated at White Rock, and the mysterious snowstorm that hit Westminister and Vancouver, my plane was grounded Thursday night, February 1, so I did not leave the Coast until Friday, 7:35 a.m., arriving in Toronto, Friday night 9:35 p.m., caught the midnight train from Toronto and arrived at my destination and Parliament Hill, Saturday morning. Not arriving in time for the Opening, it has been necessary to pursue Hannard, and the following is a summary of the week's happenings.

The Speech from the Throne, traditionally indicates the policy of the Government and foretells the legislation it is going to ask. This session the emphasis is upon defence and there are hard and heavy concerns at the extent of deterioration in the international situation. The Speech also indicates "the increased danger of a general conflagration" and advises the Commons that it will be asked to approve substantially increased expenditures for defence. We are again to pursue the issue with the U.S. an early start on the St. Lawrence Waterways scheme as part of our defence measures.

The solemn problems here are Defence and the International situation—how can we best make our contribution to the common cause of free men everywhere? One would have expected Mr. Drew to attack the Government on the two questions of Defence and Mac-

power. This will be the tactic of the official opposition though the debate on defence has been postponed until the Minister, Mr. Chaston, makes his statement. One would have expected Mr. Colwell of the C.O.P. to place the greatest emphasis upon controls and the need of living—the undoubted difficulties facing our lower income groups in the face of current inflation. To our enormous surprise he dealt principally with External affairs, and indeed, moved an amendment condemning Canadian action in supporting the U.S. resolution in U.N. to brand China as an aggressive nation. It was left to Mr. Drew by way of his amendment to charge the Government with laxity in combating inflation and the rising costs of living.

A very strong case can be made in Canada at present for some legislation that will stem the rising cost of living. While pre-occupied with the battles going on in Korea, attention is going to have to be paid to the battles going on in Canadian kitchens every day. Any thought of a economic and stringent set of controls on wages and prices is abhorrent to almost all Canadians—to compound such a system upon that of the last war would probably mean the death of an enterprise system in this country.

The best news recently for our "lower income" people was the qualified offer of the Prime Minister to the Provinces for the adoption of the new Old Age Pension provisions—a basic \$40 per month for everyone 70 years of age and over as of right and without the means test, and the same basic pension in the 65-69 year group, but subject to a means test. Ottawa is sufficiently optimistic that the Provinces will accept that plans are going ahead here to take care of the new scheme January 1 next.

Two speeches already delivered were outstanding—that of the Prime Minister in which he was so forthright on the issues of manpower and conscription, and that of Mr. Pearson in which he dealt at such length with the whole international situation.

Day of Prayer

Annual Women's Day of Prayer for all women of the community is to be held in White Rock United Church tomorrow at 2:30 p.m.

W. M. MOTT, M.P.

Improvements win approval

Paving of White Rock streets under a local improvement plan will be sanctioned by Surrey Council, Councillor V. A. McPherson stated following Monday's Council meeting.

Under the plan two-thirds of the paving on a street with a petition representing one-half the assessed value can secure road work and pay for it over a period of ten years.

Road must be a continuous road and not just a section, he stated. Under the plan the municipality would be responsible for paving intersections.

Custom Officers re-elect Stevens

J. Stevens of White Rock was re-elected president of the Fraser Valley Border Zone of the Customs Officers' Association by acclamation at the annual meeting of the zone held in Tara Super Club on February 1.

Despite poor weather a fair attendance heard annual reports showing a healthy membership and other problems handed to the benefit of the association.

Highlight of the year was the promised increase in wages which was secured through the efforts of the Civil Service Federation, an affiliate body.

GOES SOUTH. Mr. Violet Gent, Parker Street, has left for a month's vacation at Long Beach, Cal.

Surrey Council wants Park Board to ask for comfort stations

Surrey Parks Board will be asked to approach the Provincial Government to secure a grant for two comfort stations at White Rock for use by summer bathers it was learned following Monday's Council meeting in Cloverdale.

Last year Victoria granted \$2,000 towards a comfort station at Crescent. Grant would be used to replace existing facilities at the pier and the foot of "B" Street.

Parks Board budget for 1951 was laid over to the municipal finance committee for investigation and report.

Council asks meeting on Civil Defence

Surrey Council has called a meeting on Civil Defence to be held at the Municipal Hall, Cloverdale, on February 17 at 8 p.m.

Councillors learned Monday that Surrey would be considered a disaster area where refugees from Vancouver and New Westminster could be located.

RATEPAYERS ASSOCIATION ANNOUNCES SPECIAL BUS SERVICE FOR MEETING

Zone 2 White Rock Ratepayers will hold their next general meeting in the White Rock Lodge on Friday, February 23 at 8 p.m. reports chairman Tom Irwin.

A special bus service has been arranged for the meeting he announced. Local bus will leave Hilltop Post Office at 7:30 p.m. and proceed east on Duena Vista to "C" Street, west on "C" to Royal, west on Royal to "B" south on "B" to Columbia. It will go east on Columbia to Maple, south on Maple to Victoria, west on Victoria to Martin, then east on Washington Avenue to the Lodge.

Members of the Ratepayers' Association will be given a special rate on presentation of their membership cards, Mr. Irwin said.

Ratepayers to undertake fund campaign for hall

Zone 1 needs \$1,000 to complete local community building on Stevens Street

Zone 1 White Rock Ratepayers' Association will shortly undertake a campaign to raise funds to complete "the hall that co-operation built"

The hall is a 20 by 40 foot building which has been erected by volunteer labor on Stevens Street, just south of Duena Vista. It is situated on property having a 56 foot frontage on Stevens and a depth of 140 feet which was donated by Mrs. William Offer.

Citizens in that area have been working diligently all summer to provide a community hall to serve the district. They bought a new chicken house and salvaged the year-old lumber and then purchased an additional 4,500 feet of lumber which they put together to form the present hall.

Then the committee ran out of funds. With only \$100 in hand, the task of finishing the outside to harmonize with homes in the area, finishing the inside, lighting and plumbing.

A special business meeting for Zone 1 Ratepayers has been called for February 14 at 8 p.m. Meeting is to be held at 81 Stevens Street. A full attendance has been requested by zone chairman W. Offer.

ing remain. The committee also wants to add an annex kitchen. Water has been supplied to the building.

An estimated \$1,000 is needed to complete the structure and put it in shape for public use.

White drives have been planned by the ladies committee, and the men under the chairmanship of William Offer, 81 Stevens Street, will undertake a canvass of all residents in Zone 1 in an effort to raise the necessary funds. Anyone willing to make a donation, no matter how large or small, is asked to phone Mr. Offer at White Rock 2888.

Basketball

By JACQUE ZACK

Semiahmoo was saved from complete defeat by the Junior Boys on Friday evening, February 2, at a home game.

The team which previously suffered a defeat by Queen Elizabeth, proved what training and practice can do. They played a fast game and with more training should develop into a superior team.

At halftime Semiahmoo showed ahead by a score of 21-3.

During the last half Semiahmoo repeated this process of long passes, followed by quick accurate shots and succeeded in doubling the score.

Ernie Fairholm with his lightning speed and polished shot grabbed himself a neat 15 points.

Final score: 42-6.

Girls lose to Queen Elizabeth

In previous years Senior Girls have brought victory to Semiahmoo by trouncing most opponents. When they met Queen Elizabeth in the pre-league games, they lost by one point, but this game was different.

Semiahmoo, being slow to get in the swing of the game, scored only eight points in the first half. Not until the third quarter were they able to up the score, then let the opportunity slip through their fingers.

Before Semiahmoo could score again Q.E. marked up 12 points.

They made a last minute struggle to win, but the whistle ending the game went at 27-18.

Queen Elizabeth: Ostergard 6, Wright 7, Padgydoslo 7, Chicklaski 5, Eader, McGregor, Russell 2, Kingsfield, Fricke, Borogofski, Total 27.

Semiahmoo: Walker 1, Watson, Woodford 3, Whitehead 10, McKay, McCarty, A. Fennell 2, D. Fennell, Twiss 2, Cheverle, Hadden, Total 15.

Boys defeated in final quarter

Senior Boys basketball games could be compared to Classical Tragedy. Everything goes along perfectly; all the hopes and struggles of the hero are beginning to materialize; he is about to grasp his victory, when some unplanned

or intangible thing interferes and he goes to his downfall.

The last two league games Semiahmoo has played could be fitted perfectly into this pattern.

With North Surrey, Semiahmoo had the lead at three-quarter time then sunk to defeat.

More recently with Queen Elizabeth the score was tied 30-30 with four minutes to play. This was not the only tie. In the nerve racking last half, the score was tied four times: 21-21, 22-22, 29-29, 30-30. It was a battle of wits as well as skill and with consistent and tricky passing, Semiahmoo set up and carried out its plays.

The cheer leaders rallied their team and the crowd was going wild as the team would break the tie, but to have the other come back again.

Along the Buy-Ways...

By Madge Helmer

Specialty designed to lift you right out of the winter doldrums is the charming display of cut flowers at the ROSEMOUNT FLORIST—sunshine yellow daffodils, heart red tulips and fragrant carnations, while among the potted plants you'll find dainty primulas and sweet scented hyacinths.

There'll be ordering some of these cheerful flowers for that special someone's Valentine, or perhaps an attractive wall-bracket filled with greenery appeals to you. If it's a corsage for the Valentine dance (or just for love), you'll want to order early enough to have your choice of flowers.

Many of the very attractive plant holders and vases can be combined with Chinese figurines, miniature animals or little storks to form an unusual centerpiece. Oh yes! Do look at those ridiculous Chinese "suet-dags." You'll love 'em!

A definite promise of spring is shown in the packaged garden seeds, a full line of flower and vegetable seeds packaged by a reliable firm, and it really isn't too soon to pick out seeds and plant your garden. Stock up on flower and vegetable plants, too, all ready to be transplanted to your own flower beds.

There's a grand book on gardening full of information which the novice and the experienced gardener will find useful; in fact you can obtain anything you need for outdoor or indoor plant life at the ROSEMOUNT FLORIST on Washington Avenue. Telephone 2437.

VALENTINES

It's "Hearts and Flowers" at the ROSE JAR with a fine selection of Valentines; beautiful cards fashioned in the lavish mode of yesterday, personalized lovelies with sparkling rhinestone-effect bouquets or padded satin motif or in suede finish; Valentines for every one from the new baby to "Grandmother dear," sentimental, comic, or just plain friendly. There are cut-out Valentine books or "make-your-own" in boxes complete with envelopes for the school Valentine box, too.

Have you looked over the framed pictures at the ROSE JAR lately? Some new florals in various sizes and types of frames have arrived recently, and don't forget that you can have pictures framed by an expert at the ROSE JAR—saves all the bother and expense of shipping to the city.

A brand new shipment of fine china is expected in the near future although there is already a marvelous selection in brand names such as Royal Doulton, Shaffley, etc., in open stock. And please DO look at the little Japanese glass animals—wee green elephants, pink horses, slinking tigers—lots of items you'll adore, and at such a tiny price!

WATCH REPAIRS

The watch repair department is in the expert hands of Mr. Ingram, so you're sure of reliable work, and at such a tiny price!

WATSON-McLEAN

Local girl will live at Qualicum

Daughter of a well known local family was married in Vancouver on January 20 when Lorraine Freida, daughter of Mr. and Mrs. Herbert R. Watson, Washington Avenue, exchanged vows with Robert Leslie McLean, son of Mr. and Mrs. P. A. McLean of Comox, B.C.

The wedding took place at the home of the bride's aunt and uncle, Mr. and Mrs. A. E. Ouida, Triumphant Street, Vancouver. Rev. J. Hirdman of the Westside United Church, officiated.

The bride was attended by Mrs. Ouida. Mr. Earl Watson, brother of the bride, was best man.

The bride wore a pinky-mauve dressmaker suit with navy blue accessories and a corsage of Tallian roses. Her matron-of-honor, Mrs. Ouida, was dressed in a light blue suit with navy blue accessories and a corsage of carnations. Mr. A. E. Ouida proposed the toast to his niece at the reception held after the ceremony.

The young couple left for a motor trip to California. They will reside at Qualicum Beach where Mr. McLean will be associated with McLean Brothers Lumber Mill.

The St. Mary's River dam, now under construction in Alberta, is the biggest earth-filled dam in the world.

Socially . . . at Sunnyside

Winners at the whist Wednesday night in the Sunnyside School were Mrs. B. Peterson, Mr. A. McDonald, Conneltons, Mrs. W. F. Jones and Mr. B. Finlay.

Sunnyside P.T.A. will meet in the school next Wednesday, February 14, at 8 p.m. Guest speaker will be a good attendance is hoped for. A good attendance is hoped for. A good attendance is hoped for.

A tea is to be held at the home of Mrs. F. H. Pickering, corner of Clow Road and Sunnyside Road on Wednesday, from 2 to 5 p.m.

The tea is under the auspices of the Ladies Aid of the Sunnyside United Church and the proceeds are for their Building Fund. The Sunnyside United Church is also sponsoring a concert which is the second of a series to be held on Tuesday, February 13 in the Sunnyside.

side Community Hall. Principal speaker will be Captain Garvie who will tell of his work as Captain on the River Boats in the North-West Territories. There will also be local talent, and refreshments will be served.

Mrs. J. A. Smith and Mr. A. Acostas who have been visiting at the home of Mr. and Mrs. P. Acostas have left for their home in Edmonton.

Recent guests of Mr. and Mrs. A. MacDonald were Mr. and Mrs. Stan. Burrows of Vancouver.

Mrs. W. Avery entertained the Monday evening Bridge club at her home on the King George Highway.

Mrs. R. McDonald, 1159 King George Highway spent the week-end visiting her brother and his wife, Mr. and Mrs. R. Munro of Seattle.

Skating on ice is possible because the weight of the body melts the ice and the skater really is travelling on a film of water which freezes again as the weight is removed.

Effort, not magic

No one will dispute the fact that industries in small towns give a measure of stability to the community. They provide employment for boys and girls who have received their education in the district; they support families who, in turn, pay taxes and support local business enterprises.

Our town already has a few industries which have been so successful in helping develop the community and provide employment that it is apparent that more are needed here.

People of this community, however, cannot sit back and expect industries to spring up of their own accord as if by magic. Nor can they expect governments or outside firms to do what must be done if more industries are to be located in our town.

We must be prepared to help ourselves to industries.

We must have enough faith in our community to invest our money here, enough gumption to work for it and enough imagination to see opportunities.

A good example of community effort in developing local industry is the achievement of Altona, a small town in Manitoba. There, industry which has been produced oil and other products valued at well over a million dollars. The oil is used in margarine and shortening and in a cooking and salad oil which is now being marketed nationally. It is produced from sunflower seeds grown by the farmers in an extensive surrounding district.

This industry puts a great deal of cash into the pockets of the farmers of the community; it maintains a large payroll. It was established because a few farmers and business men had vision and the necessary enthusiasm and foresight to put their vision into action. They saw the opportunity and did something about it. The plant at Altona, we understand, is the only one of its kind in Western Canada and it would appear that there is room for other similar plants in Canada's economy.

There has been much talk of the need for new industries here but, as Mark Twain said about the weather, "no one does anything about it."

If we are to have new industries, there is no use waiting for outsiders to come in and establish them for us. If that is what we want, we may have a long, long wait.

Here, it would seem, is a wonderful opportunity for the Board of Trade, or some other local organization to give leadership.

In the past too many of our young people, trained at our expense in our own schools, have drifted to the cities to find work. What are we going to do about that situation? The answer to the problem, in part at least, is to provide employment for them here through the establishment of more local industries.

This is possible—not through some magical process but through our own efforts.

Higher taxes

Canadians realize that higher taxes are necessary if we are to build up our defence forces to what they should be for our protection and for co-operation with other members of the United Nations.

We may grumble a bit about them but we will pay them.

But we want to be sure that the money we pay to the government in taxes is being well and properly spent—that we are getting our money's worth.

And that is where our representatives in Ottawa come into the picture.

One of the jobs of members of parliament is to know what is going on, to see to it that our money is being used to best advantage.

But how can members of parliament keep in touch if they are absent from sessions? Too many of them are delinquent representatives. Any excuse, it appears, is sufficient to keep them from their places in the House of Commons.

It is up to us to let our representatives know that we expect them to do a job for us, to attend every session while parliament is sitting, to watch eagle-eyed the expenditures of our money, to give their best thought and effort to the managing of the nation's business.

If Finance Minister Abbott is looking for new sources of revenue (and we imagine he is) he might consider the introduction of a system of fines for members of parliament who are missing from their places when the house is in session.

That might help keep our representatives on their toes.

You can't win

Under the above heading the *Comox Free Press* last week editorialized in connection with an incident that took place over in the island city. It appears that the recent snowstorm left the streets of Comox with several inches of the soft white stuff but the city fathers did not seem inclined to spend money to clear it away in the opinion that it would soon melt away. However there was a demand from some quarters that the Council get a move on and have the stuff cleared off the streets. A gang of men and equipment were put on the job and the snow was taken to the outskirts of the city and dumped.

During the night Mother Nature took care of the piles of snow, and with the aid of a stiff wind, it all disappeared. Yes, you guessed it. As soon as the municipal office was open the telephone started to bring complaints about spending the taxpayers money to cart away the snow when the weather man had taken care of it anyway.

Then we wonder why so few men and women are willing to offer their talents in public service. To use a slang expression "they are devious if they do and bedevilled if they don't" and that applies to almost every group of elected or volunteer men and women in public service. They can't win!

We do not believe that Western Canada is in any danger of a Russian invasion. Just think what would happen to heavy border tanks if they ever hit some of the country roads. It may be that the deplorable roads are regarded as a defence measure by the powers-that-be in Ottawa.

Seen and Heard ... from the boardwalk

By HARVEY

Congratulations to our local young lady who was honourable mention in the Vancouver Sun painting contest this week.

Our deepest sympathy goes to the family of the Surrey doctor who passed away a week ago. This doctor gave of his time and talent whenever and wherever needed, another link has been broken and we who knew him, feel how much we have lost.

Eenie, Meenie, Minie, Mo. Just where will White Rock go? One week we are too large an area, the next, we should be enlarged, or require two men to look after us. Talk about the inconsistency of women, White Rock wherefore art thou White Rock?

The Board of Trade and Ratepayers' Association have planned a number of much needed improvements for our town and it is to be hoped that they will continue as planned. Too often in White Rock things are started with enthusiasm, then in a short time, Phooey. Sure we need repairs to lanes, streets, sidewalks. Proper house numbering is another essential, but these things will not be taken care of unless one continues to fight for them. So gentlemen, keep fighting.

Our grateful thanks to the many folks who have donated to the Chinese Fund. There is more needed, but it is gratifying to receive the donations regardless of how small they might be. Enough of the small ones and we will have attained enough to have our Easter music.

The young men who were instrumental in starting this are quite rightly feeling proud that folks like the idea of Sunday music. One nice thing about this fund is the folks from all churches are assisting by donations. Don't hesitate to donate because your contribution may seem small, over half the amount has been raised; isn't that wonderful? Thanks a lot folks, from us all.

The song of the week: "Honey it's cold outside."

The first of the week saw a large number of folks sitting on the roads. No; it was not a new style, just plain slippery, painful too.

The rave of the week is: The beautiful new Post Office building. Certainly White Rock may well be proud of this building. The public as well as the staff will feel much better transacting their business here, it is commodious, sunny and cheerful. After all the old buildings that have housed the post office here, this building was well worth waiting for.

Melodrama at it's best will be seen at "Love Rides the Rails," tonight and tomorrow by the White Rock Players. We have always been surprised and pleased by the grand performances given by this group and they have promised that we will not be disappointed this time.

Silver and gold coins have a rough edge because if they were smooth it would be easy to file off some of the valuable metal without changing the coin's appearance.

Your Protection . . .

. . . is the goal of our department. With the money you pay through taxes, we strive to give you protection from health problems and social welfare troubles, while your hospital insurance premiums protect you from crippling hospital bills. This is accomplished by maintaining the . . .

- **HEALTH BRANCH** which provides such services as public health units in co-operation with local civic authorities, public health nurses, sanitary inspectors, tuberculosis clinics and care, venereal disease control, immunization, laboratory and other services. All of these are designed to protect your health.
- **WELFARE BRANCH** which makes available to you competent assistance through the services of trained social workers. There are also benefits such as social allowances, mothers' allowances, old age and blind pensions, child protection and adoption placements, and medical, optical and drug services as well as hospital care.
- **HOSPITAL INSURANCE SERVICE** which protects you from staggering hospital bills. While you are in hospital, this service covers the cost of public-ward accommodation, case-room and operating-room facilities, anaesthetics, dressings, ward nursing care, available X-ray, laboratory and physiotherapy facilities and hospital maternity care. The only requirement is that your premium be paid.

The Health and
Department of Welfare

WEEK BY WEEK

In the Garden

By G. E. SERY

Drainage is important problem at this season of the year

With all the moisture on the land at this time of the year, it is most necessary to remove the surplus water from the garden by surface or under drains, or both.

The improved physical condition results in proper drainage, increased bacterial action, and increased growth. Keep gardeners do not mind mucking about a bit during the winter months, and drain digging is easiest just now.

An open ditch dug now will take an awful lot of excess water away and will leave the land in a far better state for later digging and cultivating.

TWO INCH FALL

But where the land holds water for a long period and well into the Spring, it is advisable to lay under drains, using 4-inch tiles. The drains for these tiles should be dug out 2 1/2 or 3 feet deep, allowing at LEAST a 3-inch fall in every 100 feet, and the floor of the drain must be of a uniform grade and even. Where more than one drain is necessary, they should not be more than 35 feet apart.

First choose a suitable outlet at the lowest part of the garden, and stake out the direction from the outlet, which will drain the wettest and lowest-lying portion of the garden.

This should run the full length of the piece of ground to be drained, and may be called the main drain. Lay a garden line the full length of this staked out position. Now, mark out diagonal drains, in the same manner, these running into the main drain.

START AT OUTLET

Now dig out these trenches to the proper depth, leaving the floor even. When these are properly dug out and you are certain there is a gradual slope down to the outlet, lay the tile evenly, starting at the lower end of the lay-out at the outlet.

Cut out squares of tar paper, about 4 inches by 6 inches, and lay these over the joints of the tiles, as you proceed in the laying of the tile, and throw half a trowel full of dirt on top of tar paper to keep it in position till you are ready to fill in. You can obtain angle tiles to lay at the junction of diagonal tiles and main tile.

When all the tiles are laid, all you have to do now is to fill in with dirt. I would suggest here, that when you first dig out the trenches, throw your top soil on the other side, so that you can replace the good soil back on top of trench, and keep INLET CLEAN.

At the top end of the drain, where the last tile is laid, throw in a good pile of stones and rocks to make sure the intake does not get plugged up with dirt. A good space 2 feet square should be sufficient.

These under drains may be thought to be too expensive for the average gardener to undertake, but after the initial outlay, it will be found to pay for itself in the long run, for it will be a permanent system of drainage. Keeping the excess water from lying on the surface all Winter, and allowing early access and early cultivation in the Spring.

Not only this, but it will be found a great benefit in the summer in the fact that it will help to hold the moisture in the land. BURN RUBBISH NOW.

This is a good time to burn all rubbish in the garden, useless old plants, etc., but don't burn anything that will rot in the compost pile. Keep adding to this compost pile, laying it in layers,

The Advantages of Using OUR RED CLAY BRICK—
The largest brick
Cheaper to lay
Quicker to lay
No flue lining required
The best in the end.

with alternate lays of soil and sprinkling of fertilizer, and "rot-in."

Much of this kind of work should be done at this time of the year, when other gardening operations cannot be undertaken; this will save a lot of time later on when you can earnestly start working the land.

Keep your garden tools clean when you are not using them. You can do double the work in the Spring with a clean, polished tool than with a dirty rusty one.

CHALLENGES BOY SCOUTS

"Plan Achievement," a personal challenge to each of Canada's 115,000 Boy Scouts to make the real progress in Scouting in the next three years, was officially launched across Canada on Jan. 2nd by Jackson Dadds, C.B.E., Deputy Chief Scout for Canada.

WILL BE "ISLAND" SCOUT PATRON

Hon. T. W. L. Prowse, Prince Edward Island's new Lieutenant Governor, has agreed to become Patron of the Boy Scouts Association in that province.

MORE DOING LESS—BETTER

Lord Rowallan, Empire Chief Scout, stressing the need for increased support of the Boy Scout Movement, said: "We want more people doing less—better."

In Ottawa they have taken the Chief Scout seriously. Since September, 1950, some 65 adults have voluntarily joined the movement as leaders, bringing the Ottawa Scout leadership total up to more than 250.

MORE "SCOUTS" THAN EVER

Canada's present 115,235 Boy Scout membership total constitutes a new record. Of this total Newfoundland has 678; P.E.I. 806; N.S. 628; N.B. 468; Quebec 9085; Ontario 53249; Man. and N.W. Ontario 6937; Sask. 5385; Alta. 7470; B.C. 12486; and La Federation des Scouts Catholiques de la Province de Quebec 6604.

THE CARLTON is a three-bedroom house with the rooms compactly grouped around a central hall. The medium sized bedrooms are well supplied with closet space and wall areas for the placing of furniture. The kitchen has a cheerful dining corner and cabinets arranged to save steps in the preparation of meals. There are two exposures and a liberal wall space in the living room. It can easily be used for large dinner groups, as it is located next to the kitchen.

HI-NOTES

Drama Club plans radio performance
By JACQUE ZACK

Plans for future activities were discussed by members of the Drama Club at Semiahmoo High School on Friday, January 26. Suggestions included a radio performance, and a variety show. Mr. A. Mansfield, who has had previous experience with radio work, offered to help the members. Since it was found that the amount of time to prepare these productions is comparatively small and would offer a different type of entertainment, this suggestion found favor with the members. Another meeting will be held soon to further discussion of activities.

It seems business men are not the only ones interested in making money. The Grading Club sold candy at the basketball games Friday evening, and was to meet the Grade 11's for a specialty challenged basketball game.

H-I-Y CONFERENCE
Those delicious odours floating out of the Home Economics Room Friday noon, were from the Hot Dogs sold by the Girls' H-I-Y. One sniff was all many of the students got, as the "Dogs" were in greater demand than the supply. The money is to go toward expenses for the upcoming H-I-Y Conference to be held at Victoria, February 23, 24 and 25.

Delegates from Vancouver, Fraser Valley, Interior, Bellingham, Seattle, Calgary and Edmonton are to attend. Approximately one-eighth of each club's membership, along with its sponsor and principal are invited to attend. Those attending from Semiahmoo H-I-Y are Lyle Moore, president; Marguerite Aldous, vice-president; Anne Pennell, Heather Walker, Miss N. Fisher, sponsor, and Mr. M. B. Sanford, school principal.

The theme of the Conference is "On Stage Everyone." Those attending are divided into groups called workshops. These groups are under the headings: "You in person; You in your club; You in your community; You in your country; and You in the world." Here they will discuss various

There is a generous amount of closet space in **THE CARLTON**. There is a real closet located at the front entrance and another closet situated at the rear entrance. The bedroom hall is equipped with a linen closet.

THE CARLTON's plans call for frame construction. However, concrete blocks can be substituted. **THE CARLTON's** plans also provide for sliding, overhanging eaves and a hip roof covered with asphalt shingles.

Dimensions of **THE CARLTON** are 38 feet wide and 24 feet deep. There is an area of 989 square feet and 1945 cubic feet, including a full basement.

For further information about **THE CARLTON**, write to: Home Planning Bureau, St. Cloud, Minn.

problems and activities of their clubs, exchange ideas and mix socially.

The first day of the conference there will be an opening party in the evening to enable the girls to get to know one another. Workshops will be held all during the next day which will be followed by a banquet in the evening.

Sunday will see the departure of the girls to their various homes.

FILM SHOW
A film—interesting, beautiful and educational—was shown to the students on Monday at noon. A Moody Institute of Science production entitled "That or Destiny," it told of the wondrous functions of parts of the human body: such as, eyes and ears, and went on to tell of the seemingly insignificant senses of timing in migrating of fish.

It compared the acute and seemingly insignificant vocal and hearing senses of the bat with the complicated operation of one of man's recent inventions — radar. The growth of plants and animals was shown speeded up by the wonder of photography.

Renew Usefulness
Marred and dented chairs, tables and odd pieces of furniture that seem to sit nowhere can frequently be made into new and attractive household additions.

Repair them, if necessary; and the surface smooth and apply enamel undercoat. Over this, flow on a coating of colorful enamel. If the design of the piece is good, your final cost can contrast with the wall against which it will stand. This will give it emphasis. If it is useful, but not as beautiful as you might wish, camouflage its shortcomings by painting it to match its background.

BOY SCOUTS ACTIVITIES

BOY SCOUTS CAMPAIGN 1951

From the 8th to the 20th February the Boy Scouts Association throughout Canada is launching an appeal for funds. The South Surrey Boy Scouts Association is launching their appeal from the 15th of February to the 24th of February.

The 15th to 20th February is B.P. week in honor of its founder, Gen. Lord Baden Powell, and during this week our object is to give the Boy Scout Movement certain publicity in an endeavour to promote interest of the public in this movement.

The success of the Scout movement in any area depends entirely on the interest taken by the citizens residing therein.

In principle the Boy Scouts Association deprecates financial appeals to the public and makes only one appeal for funds every year. Boy Scout troops in any area should be self-supporting for the most part but the movement is growing and funds must be raised to establish and maintain training establishments throughout the country.

The funds raised for South Surrey District are required for the

purposes mentioned in the folder sent out by Mr. Bruce Fraser, Chairman of the financial sub-committee.

The District Executive of the South Surrey Boy Scouts Association controls the expenditure of funds in South Surrey District, which comprises: Crofton, High, Ocean Park, Runnymede, Halls, Prairie, Douglas and White Rock. At present the movement has not yet been organized in several of these areas but the District Committee is making every endeavour to start Cub packs and Scout troops in all areas in the South Surrey District and your generous assistance will facilitate their task. Donations may be sent to "The Boy Scouts Association, South Surrey District, White Rock".

Strengthened Scout-Strengthened Canada.

Local Legionnaires enjoy first Members' night

"Kind hearts and friendly people" as sung by Master Keith Robinson, age 8 years, was the keynote for "Members night" last Wednesday, when Legionnaires and members of the Ladies' Auxiliary enjoyed to the limit an evening of entertainment and dance at Pitman Hall.

Highland dances by the Youthful sisters in full regalia, solos by Mesdames Robinson, Ciro, and Neville, followed a showing of ten-minute films by the Legion Projectionist Trio who were having some considerable difficulty at first to coax their machine to produce sound.

FINDS TROUBLE

Comrade Armstrong however shed his white coat for a few moments and relieved the situation by locating the offending plug and pressing it home into position. Dancing was in full swing by 10 o'clock and at midnight the Turkey Draw manipulated by Mrs. Walter Hunter revealed the winners to be: Capt. Wooster, Tom Lindow, I. Ferguson and J. W. Niven.

The welfare committee reports that William Findlay and Norman Evans are patients in Shaughnessy Hospital and Comrades "Jack" Reid, H. Molland, W. Lane, A. G. Master and Ted Lamb are convalescing in their White Rock homes.

AUXILIARY NEWS

But what of the Women's Auxiliary of the White Rock Branch? They too are keeping the pace and suffering from growing pains.

With a membership of 65 it has been necessary to re-vamp the executive dividing the work of the secretary-treasurer formerly held by Mrs. Hugh Baker, between Mrs. V. Goggin, secretary; Mrs. Baker, welfare; and Mrs. K. Whipple, treasurer.

The outstanding success of the new Hall has only been possible by the untiring efforts and wholehearted co-operation of the W.A. who have helped very considerably by supplying much of the furnishings and equipment required.

HOLD PARTIES

Their regular Bridge and Whist parties each Monday evening are well attended and exemplify the friendly spirit of the Legion. Remember the Valentine Dance, Wednesday, February 14. — Come one, Come All to the Legion Hall. K. WHIPPLE.

Flying up ceremony planned for Brownies

The second Flying Up Ceremony of the 2nd Brownie Pack is being held on Wednesday, February 14 from 3:30 to 5 p.m. at the Legion Hall. Everyone is welcome. The home of Mrs. Eric Small, 848 Washington Avenue, White Rock, was the setting for a delightful and well attended tea given by members of the Local Association for Brownies and Guides.

The president, Mrs. M. Theriault, received the guests and the attractively decorated tea table was presided over by Mrs. W. Whitting, Mrs. R. P. Stanforth, Mrs. M. Stager and Mrs. M. K. McDowd. Servitors were the Mesdames P. H. Proctor, K. Mayers, K. Nicholls, S. Bowman and J. Madson. Mrs. J. Moore, convoked the tea.

The members wish to extend their thanks to Mr. C. W. With for his generous help with the porter, and for his donation. Also to Mrs. J. W. Tipton who so kindly donated a hand embroidered cushion to the members which will be raffled at a later date.

Great peace have they which love thy law: and nothing shall offend them.

QUALITY RYE AT A POPULAR PRICE

Antares OLD RYE WHISKY

This advertisement is not published or displayed by the Liquor Control Board of the Government of British Columbia.

Two features incorporated as one provide the entertainment Friday and Saturday, February 9 and 10, at the Park Theatre.

Both are comedies but they have separate casts and stories, and patrons will be provided with 132 minutes of laughs and chuckles.

Glenn Ford, Charles Coburn and Janet Leigh head the cast of "The Doctor and the Girl" showing next Monday and Tuesday.

Young doctor Glenn Ford, abetted by his father, Charles Coburn, is in danger of becoming too scientific in his contact with patients. He is humanized, estranged from his father when he marries and takes a general practice.

Historical romance and dramatic action are the main themes of "Lost for Gold," the first feature of a double bill program Wednesday and Thursday, February 14 and 15.

"Lost for Gold" is the history of a fabulous gold mine which involves its owner and two generations of his family in feuds, bitter fighting and finally murder.

Included in the cast are Glenn Ford, Ida Lupino, Gig Young, William Prince and Estelle Buchanan. The second attraction stars Jackie Cooper and Jackie Cooper in "French Leave."

Wong, used by at least 150,000,000 Chinese people, is the world's most common family name.

"Everything's wide open when CRNW listeners give their opinions on controversial issues on that popular, powerful program — "The People Speak"—8:45 to 9 p.m. Monday to Friday."

NORMAN GREENWOOD and his MELODIANS

**So low in price
So BIG in capacity**

Only \$9.95 and this wonderful, new Hoover Electric Washer is yours to have and to own. Stores in very small space, yet handles family size wash with ease. And laundry washes far cleaner because Hoover "pulsator action" gently streams sudso through every fibre... swirls out all the dirt.

FEATURES YOU'LL LOVE!

- Compact size makes this Hoover Washer fit home in any home... even the smallest.
- Smooth lines, gleaming white finish blend with other home appliances.
- Real economy. Requires less water, less soap, less power.
- It beats the Hoover name... a famous name you can always depend upon.

HOOVER ELECTRIC WASHER

Around Crescent

The ladies of the Church of Ascension in Crescent held a Whist Drive in the Church Hall on Tuesday, January 31 in aid of the "Aid for Children Fund." A large number of players attended and a most enjoyable evening was spent.

Prize winners included: Mrs. Laronde of Ocean Park, and Mrs. O'Brien of Crescent.

A "Thanksgiving" was held by the ladies of the Church of Ascension on Shrove Tuesday, February 6.

Judge and Mrs. Sullivan are home after spending a vacation in Southern California and Nevada. During their visit, they were guests of their son and daughter-in-law, Mr. and Mrs. Peter Sullivan, for the Christmas celebrations at their Santa Barbara home.

SHOWER

The Johansson home on MacKenzie Street was the setting for a large party on Thursday, February 1, given by Mrs. Edna Johansson and Mrs. Joy Savin in honour of Mrs. Eunice Duncan whose marriage to Mr. Sted Winter, Mrs. Johansson's brother, took place on February 2.

The guest of honour received many beautiful gifts. Among the invited guests were: Mrs. Lou Stone, Mrs. Lou Fenwick, Mrs. Cora Holden, Mrs. Winter, Mrs. "Jerry" Cameron, Mrs. Iris Cousland, Mrs. Margaret Stevens, Mrs. Mary Jacques, Mrs. O'Brien, Mrs. Kay Drer, Mrs. Tostensen and guests from New Westminster and Vancouver.

LOCAL GIRL WEDS

The marriage of Miss Eunice Duncan and Mr. Sted Winter of the United States Army took place very quietly in Blaine, Washington, at an evening ceremony on Friday, February 2.

The bride looked charming in a dusky, pink ensemble with black accessories. She wore a corsage of pink roses.

Mrs. Edna Johansson, who wore a beige outfit with a corsage of spring flowers, attended the bride. The groom was supported by his brother-in-law, Mr. Harold Johansson.

After a brief honeymoon, the groom returned to camp in Oregon and his wife has taken up residence on Agar Street.

Misses Beverly and Judy Gregor left on Saturday, February 3 to join their mother, Mrs. Douglas Gregor, who is visiting with her parents in Victoria.

NEW HOMES

Mr. and Mrs. L. B. Jacques have left their home on the waterfront and have moved into a home on MacKenzie Street until the new home they have planned in Vancouver is completed.

Mr. and Mrs. S. Y. Ripley have purchased the property recently owned by Mrs. Lou Fenwick and will take up residence there soon.

Valentine Tea and sale of home-ecooking was planned at the regular meeting of the Ladies' Auxiliary to the Crescent Beach Fire Department held at the home of Mrs. Hope McRobbie Street, on February 5. A social hour was enjoyed by the members after the meeting.

OCEAN PARK

Meeting re-elects water board

Ocean Park Community Association held its monthly meeting on Friday, February 2. Many people turned out to hear the report of the Water Board.

Messrs. D. Welsh, J. Carruth and W. A. E. Wall were re-elected to the board.

Ocean Park Community has suffered a very serious loss with the passing of Mrs. Dodge, North Bluff Road, who was always a very kind helper in every good work.

Mr. T. D. James, Stevenson Road, passed away quite suddenly on Saturday, February 3. He was 68 years of age. He will be missed by his many friends in the community.

The Vancouver Supply Company Ltd.

take this opportunity to congratulate

KARL NEWMAN

on his recent renovations and improvements

Newman's Grocery ends renovations

Newman's Grocery on Washington Avenue next to Semiahmoo Post Office is wearing a new face these days. Proprietor Carl Newman has just finished an exterior and interior facelift to make the store a more attractive place to shop.

Changes and alterations were done by a local firm, Tingley Bros. Mr. Newman first came to White Rock three years ago after four years with the Canadian Army. He was overseas for three years during World War I. Originally he hails from Nova Scotia, but now calls the west his home.

The store features a full line of cold meats, groceries, confectionery and tobaccos. Several introductory specials have been offered by the proprietor this weekend as a "get-acquainted" move. Detailed announcement appears below.

INJURED — Mrs. A. Goodfellow suffered a broken ankle when she slipped boarding a bus in New Westminster last Wednesday.

COMING EVENTS

Ladies Auxiliary to the Crescent Beach Fire Department are holding a whist drive at the Fire Hall in Crescent on Friday, February 9 in aid of the inhalator cylinder fund. All are welcome.

White Rock and District Horticultural Society will hold their next monthly meeting in the United Church Hall on Tuesday, February 13 at 2 p.m.

Parlour show will feature dish gardens and potted plants. A speaker is being arranged. Visitors will be welcomed.

United Church Sunday School is holding a Valentine's Day Tea and sale of home cooking on Saturday, February 10 at 2 p.m. in the Church Hall.

A short program will be presented by the children of the Sunday School. Parents and friends are invited to attend.

White Rock Branch of the British Retail World Federation invites everyone to attend a lecture on "Glasdonbury Abbey" illustrated by lantern slides. The guest speaker will be Malor W. Garrard of Victoria. It will be held in the White Rock Hotel on Wednesday, February 14 at 8 p.m.

Valentine Tea will be held on Wednesday, February 14, from 2:30 to 5 p.m. at the home of Mrs. L. N. 808 Pacific Street, Hilltop, behind Hilltop Post Office, sponsored by the Semiahmoo Group of the White Rock Hospital Auxiliary. There will be a sale of home-ecooking and sewing and a Dresden plate quilt will be raffled. Admission will be 25c.

B.C.E. BILLS NOW PAYABLE AT "HUB"

B.C. Electric Company has appointed "The Hub" variety store at Hilltop to be their official collection agent in that area. "Move was made to provide greater convenience for local residents," reports George Alcock, proprietor of the store.

CARD OF THANKS

The team wishes to express its gratitude for the loyal support shown at the games, for the people who aided in transportation and for the enjoyable banquet given them by the White Rock Klanners, Semiahmoo High School Senior Soccer Team.
